Letter of Recommendation for the North York Concert Orchestra

To Whom It May Concern:

The North York Concert Orchestra has performed yearly concerts at the Bernard Betel Centre for many years. Their generosity in offering first-class concerts at a nominal fee to the Centre, has enabled our seniors to enjoy high-quality professional performances right here at the Centre. Most of our seniors are on fixed incomes and are unable to afford either the expensive ticket prices or the transportation to attend professional performances by orchestras in downtown Toronto.

The North York Concert Orchestra offers an amazing musical range of repertoires as well as a high caliber of professionalism and the musical virtuosity of the members of the orchestra. Our seniors look forward to the annual performances, which according to many, equal anything offered at large-scale venues in Toronto. These concerts have enthralled seniors, bringing back memories of their earlier years and enhancing their well-being.

We look forward to our continued association with the North York Concert Orchestra.

Thank you.
